Greetings from Uganda Woodball Federation

I take this opportunity to welcome you to the closing ceremony of the 4th Edition of the BLB Woodball League 2022.

UWbF started the Woodball League after a successful piloting survey in 2017, as one of the promising products to the country in nurturing young athletes to boost the National Woodball team performance.

I take this opportunity to thank the Uganda Government for playing a leading role in the development Woodball. The strong and continuous support by the Government through National Council of Sports, has enabled us to grow. We have been able to host the 2nd Beach Woodball World Cup in 2019, as one of big archives here in Uganda, and not forgetting government's support towards achieving a Woodball home with an International Woodball manufacturing plant.

I thank the management of Buganda Land Board headed by the Managing Director for not only hosting us here for the League Finals, but for the great partnership and sponsorship towards the successful of our National League. We
